

## Non Clinical Support Services

Community based support provided by experienced outreach staff may include:

- Health care – encouragement and support to self manage physical and mental health care, including medication and to attend medical appointments
- Financial Management – guidance with budgeting, shopping and overall financial management
- Vocational/Employment Support – guidance and assistance to source and access study or employment options
- Accommodation Support – guidance and assistance to source appropriate housing options
- Leisure/Recreation – support to access community recreational and leisure opportunities

# Resident Recovery Program

*positive steps forward, every day*

**Footprints in Brisbane is a not for profit, incorporated, community based organisation which has been established for over 18 years.**

### **Resident Recovery Program**

The Program provides personalised, flexible and responsive support to people residing in boarding houses and hostels, enabling them to engage in their personal recovery journey and maintain a meaningful lifestyle of their choice.

### **Eligibility**

To be eligible for the Program people must be over 18 years of age, have a moderate to severe mental illness and consent to participate in a recovery based support program to work towards achieving their individual recovery goals.

### **Referrals**

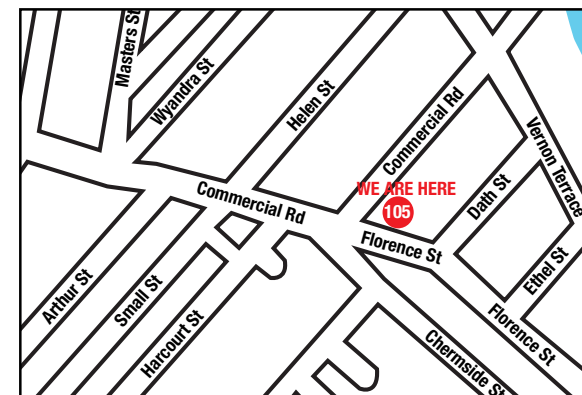

Referrals will be prioritised for those people who:

- Are about to be discharged from inpatient care to a boarding house or hostel
- Are deemed to be at risk in such accommodation
- Have clinical case management support while residing in such accommodation
- Are referred by the RBWH Mental Health Service

### **Geographical Area Covered**

The Program services the catchment area of the Royal Brisbane and Womens Hospital Mental Health Service.
