

The Resident Support Program

supports older people and people with a disability who live in supported accommodation, boarding houses who are eligible to receive Home & Community Care Services in the Brisbane North area.

The Resident Support Program Outreach Worker can assist you to identify your health and support needs and help you to access services such as:

- Doctors
- Dentists
- Optometrists
- Podiatrists
- Personal Care
- Recreational/leisure activities
- Advocacy – mediation
- Information & referral

Support is flexible and appropriate to meet individual needs.

"I have found that I am treated with respect and am accepted for who I am."

Resident Support Program

positive steps forward, every day

Footprints in Brisbane is a not for profit, incorporated, community based organisation which has been established for over 18 years.

Anyone may contact Footprints to discuss services or refer someone to a program.

If you are contacting us on behalf of someone else, please ensure they are aware and you have their consent to do so.

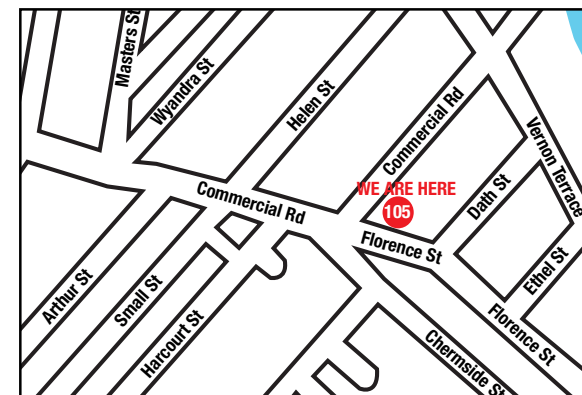

Referrals

A medical referral is not necessary and referrals may be accepted from family, friends, community services, health professionals or you can contact us directly.

Geographical Area Covered

The program services the North Brisbane area.
